Tips for keeping your child safe

- ✓ Ensure your child knows their full name, home address and telephone number
- ✓ keep a copy of their contact information in their backpack or clothing in case they get lost
- ✓ Keep social media account settings private and only share photos of your children with people you know and trust
- ✓ Remove 'friends' or 'followers' you don't know
- ✓ Talk to your children about the dangers of sharing on social media
- ✓ Ask questions about image use if an organisation (such as an after school care service) wishes to take photos of your child.
- ✓ Dress your child in bright clothing when visiting a crowded place and agree on a meeting spot in case they get lost
- ✓ Keep a good quality, recent photo of your child
