

EVERY SECOND COUNTS

HAVE YOU SEEN ME?

EVERY SECOND COUNTS! IN AUSTRALIA, 35,000 PEOPLE ARE REPORTED MISSING EVERY YEAR; THAT'S ONE PERSON EVERY 15 MINUTES.

Chemist Warehouse is helping the Australian Federal Police to raise awareness of missing persons issues in Australia

Chemist Warehouse is partnering with the National Missing Persons Coordination Centre (NMPCC) of the Australian Federal Police (AFP) to help raise awareness of missing persons issues within Australia. The forensic artists of the AFP's Facial Identification Team developed these age-progressed images of long-term missing persons in an attempt to reflect what they may look like today. As part of our commitment to our community, Chemist Warehouse is calling on everyone to take the time to look out for each other. Please have a very close look at these profiles. Each of these missing Australians has family and friends who are still waiting, hoping for answers or clues to their whereabouts.

Join Chemist Warehouse in raising awareness, every second counts!

MISSING AGE PROGRESSED

Images of long-term missing persons have been modified to represent the effect of ageing on their appearance.

If you have information regarding the whereabouts of a missing person, please contact the National Missing Persons Coordination Centre.
